

William Q. Judge

Judge wrote this book because he saw a need for a book about Theosophy that everyone could understand. Discussed are after-death states, reincarnation, karma, the pitfalls of pseudo-occultism, the 7 natures of man, cyclic evolution, sages and adepts, psychic phenomena and more. Although the book is fairly elementary it will help you in your journey, whether you are just starting out or have been at it for years. - Summary by kirk202
